

Terms of Reference of Technical Advisory Committees for April 2019 Appointed Roles Recruitment

Introduction

As per section 2.2.6 of the 'Terms of Reference for Technical Advisory Committees', following the election of individuals to the elected roles in the Technical Advisory Committees, the two Committees for which all elected positions have recently been filled are now looking to fill the appointed positions on those Committees. The British Ice Skating Board have reviewed the skills matrix and have identified the criteria below as required for the roles, which will be appointed through an application and interview process. The following documents can also be found on the British Ice Skating website under the section: Governance > Technical Advisory Committees:
