

## **Terms of Reference of Technical Advisory Committees for February 2019 Appointed Roles Recruitment**

### **Introduction**

As per section 2.2.6 of the 'Terms of Reference for Technical Advisory Committees', following the election of individuals to the elected roles in the Technical Advisory Committees, the four Committees for which all elected positions have been filled are now looking to fill the appointed positions on those Committees. The British Ice Skating Board have reviewed the skills matrix and have identified the criteria below as required for the roles, which will be appointed through an application and interview process. The following documents can also be found on the British Ice Skating website under the section: Governance > Technical Advisory Committees:
