Please note that the information provided below may be published on the BIS website

As an avid ice skating enthusiast, I am thrilled to have the opportunity to express my interest in joining the Technical Advisory Committee. With a deep passion for ice skating and a strong background in the field as a retired NEXXICE Senior athlete and now a coach within Solway Sk8ing Club, I am confident I possess the skills, knowledge, and experience necessary to contribute to the committee's goals and objectives.

In terms of experience and qualifications, I have acquired a solid foundation in the areas outlined in Sections 2.1 and 2.2 of the Terms of Reference. My extensive involvement in ice skating has provided me with valuable insights into the intricacies of the sport and its governing principles. Additionally, my active participation in various ice skating events and competitions has given me hands-on experience in the practical aspects of the field.

I have dedicated myself to developing a comprehensive understanding of the rules and regulations governing ice skating. This knowledge ensures that I can make informed decisions and provide accurate guidance within the committee's field of specialisation. Furthermore, I possess a strong commitment to the growth and advancement of ice skating at all levels, from grassroots initiatives to elite programs. I believe in the power of fostering talent from the early stages and nurturing it to achieve excellence.

Recognising the global scope of ice skating, I have kept myself informed about the international developments and trends within the sport. This knowledge allows me to contribute valuable perspectives and insights regarding the best practices employed in other countries. Moreover, I possess a thorough understanding of the sport development systems and structures within the UK, which enables me to navigate the local landscape effectively.

Effective communication and stakeholder engagement are essential skills that I have honed throughout my professional journey. I am adept at articulating ideas clearly, listening attentively, and fostering productive discussions among diverse stakeholders. Understanding the importance of teamwork and collaboration, I am confident in my ability to work effectively within the committee and contribute to its collective success. Having experienced various leadership roles in the past, I possess a strong appreciation for high standards of corporate governance. I am committed to upholding these standards and promoting them within the committee. My ability to make sound judgments and carefully consider different perspectives allows me to navigate complex decision-making processes, even under pressure.

One of my key strengths lies in my ability to question intelligently, debate constructively, and challenge thoughtfully. I believe in the power of robust discussions that lead to well-informed decisions. I approach each topic with an open mind, valuing impartiality and fairness in my decision-making process. In conclusion, my combination of skills, knowledge, and experience positions me as an ideal candidate for the Technical Advisory Committee. I am dedicated to advancing ice skating and contributing to its growth at all levels. With a deep understanding of the sport, effective communication abilities, a commitment to corporate governance, and the capacity to make well-informed decisions, I am confident in my ability to make a meaningful impact within the committee. Thank you for considering my application.

I hereby confirm that I authorise BIS to publish the information provided within the Nominated Candidate Statement Form on the BIS website.
