Having previously been part of the national team and Team GB up until 2010 I have since been coaching club skaters of all ages and abilities for the last 12 years at Solihull. Notably skaters that have graduated the club and have gone onto the national team have had great success and I work in a mentor capacity with them.

Most importantly I focus the coaching efforts of the club to develop the skills, knowledge and confidence of all skaters and other coaches, success is the enjoyment and development of each skater to be their own best.

I look forward to having cohesion with other ice disciplines and getting all short track coaches and clubs sharing knowledge to develop the sport.

I hereby confirm that I authorise BIS to publish the information provided within the Nominated Candidate Statement Form on the BIS website.
