

Singles and Pairs Performance Pathway

Squad Information for the Season 2025-2026

Effective from 1st July 2025

Last updated: 05/06/2025

Purpose

This document outlines the BIS Performance Pathway for Singles and Pairs for Season 2025-2026.

Relevant Squad details, including the criteria for each Squad, and information on the application process for the relevant Squads are outlined in this document.

Table of Contents

Performance Pathway Overview

- 3 Performance Pathway Visual
- 4-5 BIS Squad Requirements for Season 2025-2026 and International Allocation Information
- 6 Competition Criteria

Squad Specific Information

- 7 Podium, Podium Potential and Next Generation Squads
- 8-9 Future Generation and Development Squads
- 10 Pre-Novice Squad

Additional International Allocation Information

- 11 Senior Skaters
- 12 Basic Novice and Advanced Novice Development Squads

BIS PERFORMANCE PATHWAY

SINGLES & PAIRS

BIS Squad Requirements for Season 2025-2026

Category	AGE	PERFORMANCE		ACADEMY		DEVELOPMENT					
		Podium	Podium Potential	Next Generation	Future Generation	Junior, Advanced Novic, Basic Novice & Pre-Novice					
		CTES	CTES	CTES	CTES	SP TSS	SP TES	SP PCS	FP TSS	FP TES	FP PCS
Senior Women	Must be 17	90	75								
Senior Men	Must be 17	104	86								
Senior Pairs	Must be 17	88	75								
Junior Women	Under 19			72	58 Plus 2A & 1 x Triple	35	20	15	62	32	30
Junior Men	Under 19			80	62 Plus 2A & 2 x different Triples	39	20	19	75	36	39
Junior Pairs	Under 21/23			63	48 Plus 2TwB & Any DSpB	33	17	16	58	27	31
Advanced Novice Women	Under 16				41 Plus 2A	24	13	11	44	21.5	22.5
Advanced Novice Men	Under 16				41 Plus 2A & 1 x Triple	25	13	12	45	21.5	23.5

Basic Novice Girls	Under 14								30.8	14.8	16
Basic Novice Boys	Under 14								30.8	14.8	16
Pre-Novice National 3	Under 12								22		
Pre-Novice National 2	Under 11								19		
Pre-Novice National 1	Under 10								16		

BIS Squad Requirements for Season 2025-2026

	PERFORMANCE		ACADEMY		DEVELOPMENT
	Podium	Podium Potential	Next Generation	Future Generation	Junior, Advanced Novice, Basic Novice & Pre-Novice
International Event Allocations	As per Individual Development Plan (IDP)	As per Individual Development Plan (IDP)	3 x ISU listed Internationals each half of season	2 x ISU listed Internationals each half of season PLUS possible JGP or additional International	N/A for Advanced Novice, Basic Novice & Pre-Novice (see page 12) Junior – 2 x ISU listed Internationals each half of the season*
Competition Requirements for scores achieved (more detail on specific Competition Criteria on page 6)	Any ISU listed International in current or previous season	Any ISU listed International in current or previous season	Any ISU listed International in current or previous season	Any ISU listed International, Club International, or British Championship, in current or previous season	Any ISU listed International or Club International, British Championship, Qualifier or Open event (BIS permitted), in current or previous season

Test and Score Requirements: All skaters must also have the appropriate level of Field Moves or Skills and both TES and PCS scores (where appropriate) for acceptance onto the squad.

*Senior and Junior skaters who had their Squad status confirmed by 15th July 2025 (for the 1st half of the competitive season) and 5th December 2025 (for the 2nd half of the competitive season) and who are eligible for the international competitions will be sent the International Allocations Request Form by the BIS Performance Team. The allocations are based on the BIS Rankings and are subject to Technical Advisory Committee (TAC) approval. Skaters who achieve Squad status throughout the season and miss the dates above must email the Performance Team on development@iceskating.org.uk to request an international competition(s); this will be subject to the competition availability and individual review by the TAC.

Competition Criteria

Competitions where the criteria for the Squad have been achieved must meet the criteria below:

Applications from National Events

- All BIS-permitted and approved Open competitions, Qualifiers and Championships using the current Generic Criteria. Some restrictions on rink sizes below 56m x 26m will apply.
- A minimum panel of 5 Judges (one of whom may be the Referee) and 3 members of the Technical Panel and where the majority of both the Technical and Judging panels are of the relevant level from the BIS Officials List or from the ISU/ International Officials list for the season.

Applications from International Competitions*

- Using the ISU criteria for the season. Some restrictions on rink sizes below 56m x 26m will apply.
- Where the majority of both the Technical Panel and Judging Panel are drawn from the ISU/ International Officials list for the season and;
- A minimum panel of 5 Judges (one of whom may be the Referee) and 3 members of the Technical Panel.

Squad Specific Information

Podium, Podium Potential and Next Generation Squads

Podium, Podium Potential and Next Generation Squads

Any skater/couple who ages out from one category and who does not have the squad scores at the higher level will remain on the squad until the 31st December 2025, to allow the opportunity to obtain the scores within this time.

For example, a skater on the Academy Next Generation Squad (Junior) who has previously skated Junior is 19 on 1st July 2025 and hence ineligible to skate in Junior the following season, or to apply for the Next Generations squad for the following season. This skater will remain on the squad and, pending fulfilling the entry test requirements, will skate in Senior events until 31st December 2025 with the objective of obtaining scores for the Podium Potential Squad. If they achieve these, the skater/couple will remain on the Squad. Any skater/couple who does not progress and obtain the higher scores will no longer be classed as part of the relevant Squad. However, should they obtain the score later during the season, they can apply again for acceptance onto the Podium Potential Squad, as per the requirements.

Squad Specific Information

Future Generation and Development Squads (1 of 2)

Future Generation Squad

Skaters/Couples on this Squad require additional technical elements. These must be evidenced on a PDF from an ISU listed competition, Club International, or British Championships event meeting the requirements outlined on page 6.

The elements may be achieved at different events but should only be submitted when all have been achieved, along with the scores required.

Elements must be achieved competing in the category for which the Squad skater is applying for. Elements must be without signs <, <<, e, or falls (F) and should not have a *.

These additional elements must all be achieved in the SAME SEASON and will then be valid for the same season or previous season when applying for Squad status.

Future Generation and Development Squads

- Application to the Squad is based on age as of 1st July 2025. Squad applications for season 2025/2026 will be open from 5th June 2025 until 16th May 2026.
- Development Squad and Future Generation Squad status will expire at the end of each season, which for this season will be on 30th June 2026. Skaters/Couples whose scores remain valid (from the current or previous season) must re-apply when the applications open for the following season. If scores have expired, a skater/couple is no longer classed as part of the Development Squad or Future Generation Squad.
- The criteria/requirements for entry are based on ISU age and score in relation to the level in which a skater/couple is competing for the Development Squad, and age, score and technical elements for the Future Generation Squad.
- Scores may only be achieved in the correct level; for example, scores for the Advanced Novice Squad can only be obtained in an Advanced Novice event.
- Any skater/couple who ages out from one category and who does not have the Squad scores at the higher level will be removed from the Squad lists on 1st July. However, should they obtain the scores later during the season, they can apply again for acceptance onto the Squad as per the requirements.

Continued on next page

Squad Specific Information

Future Generation and Development Squads (2 of 2)

Development and Future Generation Squads

At the stage where the ISU age limits overlap, skaters can choose to compete at the higher level based on their Individual Development Plan (IDP).

- When a skater is on the Advanced Novice Future Generation Squad and achieves the score for the Junior Development Squad within the same season, they will retain their place on the Future Generation Squad, which affords more benefits and opportunities. However, they may use their allocations in whichever way they choose and may split them over Advanced Novice and Junior should they wish to do so. These skaters will also access any opportunities open to Junior Development skaters throughout the season.
- For the Development Squad, Technical Element Scores and Program Component Scores must be achieved on the same PDF per segment. Short and Free Scores can be attained at different events, but a skater/couple will not be accepted onto a Squad until they hold both parts (where this is applicable).
- **ALL Skaters/couples must apply within 8 weeks of achieving the required scores (and elements, where appropriate).**

Applications for Development Squad and Future Generation Squad must be submitted via Smartsheet Form

As part of this Form, skaters must submit the link to the official Results Page of the competition. Links to the 'Rink Results' website, competition Organizing Committee websites, or similar, will not be accepted and will result in the application being rejected.

Squad Specific Information

Pre-Novice Squad (NEW for Season 2025/2026)

- Squad applications for season 2025/2026 will be open from 5th June 2025 until 16th May 2026.
- Squad status will expire at the end of each season, which for this season will be on 30th June 2026. Skaters whose scores remain valid (from the current or previous season) must re-apply when the applications open for the following season.
- If a skater achieved scores for the Pre-Novice Development Squad at a certain category/level during the season 2024/25 and was age eligible at the time of the competition, but since then they competed at the higher level, they can still claim the scores from the lower level where the Squad score was achieved. For example, if a skater achieved the National 2 Pre-Novice Development Squad score in October 2024 and was age 10 at the time, then competed at National 3 in March 2025 but did not meet the National 3 Pre-Novice Development Squad Score, he/she can still apply for the Pre-Novice Squad for the season 2025/26 based on the result/score from the competition in October 2024.
- There is no separate Pre-Novice Squad for each category; all skaters meeting the age vs. level criteria for Pre-Novice Development Squad (above) will have the same status: 'Pre-Novice Development Squad member', upon successful application.
- **To apply for the Pre-Novice Development Squad for the season 2025/26, skaters can claim using scores from season 2024/25 (1st July 2024 to 30th June 2025) until 1st August 2025. Following this date, moving forward, Pre-Novice skaters will only be able to apply by claiming scores from season 2025/26 within 8 weeks of achieving the required scores (same rule applies to ALL other skaters)**

Applications for Pre-Novice Squad must be submitted via Smartsheet Form

As part of this Form, skaters must submit the link to the official Results Page of the competition. Links to the 'Rink Results' website, competition Organizing Committee websites, or similar, will not be accepted and will result in the application being rejected.

International Allocations

Senior Skaters

- The Performance Pathway does not include a Senior Development Squad. However, to support skaters progressing onto the Performance (Podium Potential/Podium) Squads, the scores on the right need to be met to access ISU international competitions (1 x ISU listed international each half of the season). If a Challenger event were to be requested, this would be reviewed by TAC on an individual basis.
- Scores can be claimed from any ISU listed International or Club International, British Championship, Qualifier or Open event (BIS permitted) meeting the panel requirements. A new application for each season is necessary, based on the scores from the current or previous season.
- Senior scores are to be submitted via email to: development@iceskating.org.uk
- International allocations will be reviewed on an individual basis, with priority given to the Performance skaters.

Category/Program	TSS	TES	PCS
Senior Women			
Short	38.5	20	18.5
Free	72	36	36
Senior Men			
Short	46	25	21
Free	84	42	42
Senior Paris			
Short	41	22	19
Free	73	38	35

International Allocations

Basic Novice Development, and Advanced Novice Development and Development Squads

- Due to the movement of entries for ISU international competitions to the Online Registration System (ORS), more events are choosing to hold Basic Novice and Advanced Novice categories at the Interclub level.
- Considering this, the BIS Performance Team will no longer take international allocation requests from skaters, but skaters are advised to make any entries to Interclub events directly themselves.
- Skaters entering international Interclub events must complete the Competition Notification Form to inform BIS of any entries made.
- For Advanced Novice skaters - if the event a skater would like to enter holds the Advanced Novice category as the ISU event (and therefore entries need to be submitted through BIS as the Federation), please email development@iceskating.org.uk with your request, which will be reviewed by the TAC. Should multiple skaters request the same event, priority will be given to the Future Generation skaters, and the allocations will be based on rankings.
